Sync Licensing Agreement (India)

A template Synchronisation Licence for the use of a musical composition and/or sound recording in an audiovisual production. For reference and guidance only, have a qualified entertainment lawyer review before signing.

What Is A Sync Licence?

A synchronisation licence ("sync licence") grants the right to use a musical composition and/or sound recording in timed relation with a moving image, films, web series, advertisements, corporate videos, YouTube videos, social media content, games, and other audiovisual productions.

Two separate licences are typically required: _____

1. Sync licence for the composition (the song, melody and words): granted by the copyright owner of the composition (composer/lyricist or their publisher). In India, this may be administered by IPRS. 2. Master licence for the recording: granted by the copyright owner of the specific recording (artist, producer, or label).
